

Christmas Lights Installation & Removal

Why Choose Image Glass Cleaning for Holiday Lighting?

The Brightest Displays

We use top-quality, professional-grade LED lights that are energy-efficient, durable, and designed to shine brighter than ever.

Tailored Designs

Our team works closely with you to create a display that fits your vision. From rooflines to landscaping, every detail is crafted to perfection.

Smart Investment

Once you've purchased your lights in the first year, you'll save every year after by only paying for installation and takedown. It's a long-term investment in festive cheer!

Built to Last

Our lights are backed by a quality commitment, ensuring they stay beautiful and functional for years to come

How It Works

1. Plan: Share your vision, and we'll create a design you'll love.
2. Quote: We'll visit your location and provide a free estimate.
3. Install: Our team sets everything up safely and efficiently.
4. Takedown: After the holidays, we'll remove and store your lights.

Our Hassle-Free Process

1. **Professional Installation**
Our festive team will safely and efficiently install your lights, bringing your vision to life. Payment is collected after installation for a smooth, worry-free experience.
2. **End-of-Season Takedown**
Once the holidays are over, we'll carefully remove your lights and prepare them for storage, saving you the hassle.
3. **Reinstallation Made Easy**
Next holiday season, we'll return to reinstall your lights, ensuring your display is as stunning as ever.

How Much Do Christmas Lights and Installation Cost?

First-Year Installation

Your first year includes everything: the purchase of high-quality, custom-selected lights, professional installation, and hassle-free takedown. Pricing depends on your home's

size and design complexity, starting at \$1,100. Every client receives a no-obligation, free onsite estimate to ensure transparency and satisfaction.

Year Two and Beyond

For subsequent years, you'll only pay for installation and takedown, which is typically 45%–55% of the first-year cost. Plus, you can always add new features or products to refresh your display.

Quality Commitment

Our holiday lights are built to last. With our multi-year commitment to excellence, you can trust your display will shine bright season after season.
